

A. Austin Chew

Landscape Architect

Dear Hiring Manager,

I am writing with great interest in seeking to discuss and secure the opening for the Landscape Architect position throughout the United States. I have served as a State of Ohio registered Landscape Architect for 10 years and seeking reciprocal licensure in your area, including obtaining LEED certification. I am particularly pleased with your firms' portfolio, philosophy, and design capabilities. Your firm will benefit from my proven ability to plan, design, direct, manage projects through completion, coordinate with applicable parties as to minimize interruption, improve efficiency, and providing a competitive edge.

As you review my enclosed resume you see that I have the qualifications based on the criteria required for this position. You will find that I am a well organized, detail oriented technical professional, whose creative skills flourish in a team environment. With my own personal attributes, it is my belief that I would be a great asset to your company.

- **Vast experience in project management, design, construction documentation, bidding, and construction & contract administration in many major projects.**
- **Provided a commitment to clients to be highly creative, sensitive to prudent expenditures, and cognizant of quality construction techniques and procedures.**
- **Excellent leadership & management skills, report writing, budgeting, communication & motivational skills, and construction & project management skills.**

With my professionalism, work qualifications, and strong desire to succeed in a rapidly growing company, I am an ideal candidate for this position. Please contact me to answer any questions you may have regarding my qualifications. I look forward to the opportunity to interview and further discuss my possibilities. Thank you in advance for your time and consideration.

Respectfully,

Aaron A. Chew, RLA
